

Enfocus Software Teams with Apple & xpedx for “Perfecting PDF Workflows” Summer Seminars For Designers, Printers & Publishers

June 28, 2005 – San Mateo, CA – Enfocus Software, the world leader in PDF quality management solutions for the graphic arts industry, is teaming with Apple and xpedx to present “Perfecting PDF Workflows,” a July seminar series, taking place in Florida. Enfocus will join Apple and host xpedx at the free, half-day educational sessions presenting an overview of the latest PDF solutions for efficient workflow deployment and increased productivity.

Perfecting PDF Workflows will focus on real world problems and solutions associated with PDF workflows. The half-day event (from 8 am – 1 pm) is ideal for design professionals, commercial printers, quick printers, and publishers who are tired of having problems working with PDF files, and who want to improve their PDF workflows.

Attendees will have the opportunity to see the latest offerings from Apple, including Xserve and Xserve RAID, as well as Enfocus’ Certified PDF technology built into PitStop Professional, PitStop Server and Instant PDF; and all running on recently-released Mac OS X Tiger Server.

Seminar participants will see demonstrations of PDF best practices from content creation to certification and preflight; through to professional output using Apple and Enfocus solutions.

Perfecting PDF Workflow dates and locations include:

- July 18th - Miami, FL
- July 20th - Orlando, FL
- July 22nd - Tampa, FL

For more information or to register to attend one of these seminars go to:
<http://www.enfocus.com/xpedx/>. Seating is limited.

About Enfocus Software

Enfocus Software is internationally recognized as the primary source of essential solutions for reliable, accurate, inter-company PDF file exchange and precise PDF output between designers, publishers and printers. Enfocus tools help move you through the entire PDF workflow, even when other PDF products reach their limit, going beyond

preflight to deliver unmatched PDF creation, auto-correction, advanced editing and automation. Major suppliers such as Agfa, Artwork Systems, Creo, EFI (Electronics for Imaging), Fujifilm, Global Graphics, Heidelberg, Xerox, Screen Europe and Vio Worldwide have integrated Enfocus technologies into their own PDF workflow system offerings. For more information, visit www.enfocus.com.

Enfocus Software is a wholly owned subsidiary of Artwork Systems Group.
